Seal Beach Tennis Center Summer Camp

Director: USC Trojans Men's Tennis Coach Peter Smith 2009-2010 National Champions

The most important feature of our tennis camps is that the kids have LOTS OF FUN while discovering the game of tennis. Beginners will be taught the fundamentals of tennis. The intermediate players will work on developing solid ground strokes, serves, and volleys. The advanced juniors will focus on fine-tuning their overall game by simulating pressure situations in match-like drills and games. Each week campers will receive a T-shirt as well as fun prizes on Fridays. Camp participants are required to supply their own tennis racquets, sunscreen, and appropriate NON-MARKING tennis shoes (black-soled shoes will not be permitted, including brands like Sketchers, Etnies, and all running shoes). Registration forms are available at the Seal Beach Tennis Center. Please try to register one week early so that we can properly staff the camp with instructors. If you register on the first day of camp, please plan to arrive 20 minutes early to complete the registration process.
