RESOLUTION NUMBER 6648

A RESOLUTION OF THE SEAL BEACH CITY COUNCIL ESTABLISHING NEW FEES AND CHARGES FOR GOODS, SERVICES AND FACILITIES PROVIDED BY THE CITY OF SEAL BEACH AND AMENDING AND RESTATING THE CITY'S COMPREHENSIVE FEE SCHEDULE

RECITALS

1. The Seal Beach City Council is empowered to impose reasonable fees, rates, and charges for municipal services.

2. Periodically, the City Council determines that fees, rates, and charges should cover the costs reasonably borne or a substantial portion of the actual costs of the goods and services provided by the City.

3. In 2012, the City Council established certain fees, rates, and charges using the recommendations stated in the 2012 Full Cost Allocation Plan and Cost of Services Study provided by Matrix Consulting Group; and restated other previously established fees, rates, charges, and taxes.

4. Since 2012, the City Council has adopted resolutions establishing or adjusting certain fees, rates, and charges after finding that fees for such municipal services charges do not cover the actual costs incurred by the City, and would like to direct the City Clerk to incorporate such changes into Section 1 of this resolution.

5. Resolution No. 6249 authorized an annual adjustment in accordance with the increase in the Consumer Price Index (CPI) for the period from December 2010 to December 2011 and every period thereafter. The City Council hereby directs the City Clerk to incorporate such annual adjustments into Section 1 of this resolution, and every year hereafter.

6. The State of California requires cities to charge state-established fees, rates, and charges, which are paid to the State. The City Council hereby directs the City Clerk to incorporate such State-imposed fees, rates and charges into Section 1 of this resolution, and every year hereafter.

7. Additional study and analysis has determined that certain fees, rates, and charges do not cover the actual costs incurred by the City. After conducting a duly noticed public hearing on May 23, 2016 and satisfying all applicable provisions of California Government Code Sections 66016 and 66018, the City Council hereby finds that such fees, rates, and charges do not cover the actual costs incurred by the City. Based upon the foregoing, the City Council hereby establishes, adjusts and increases the fees, rates, and charges.

The City Council hereby finds that, where applicable, the fees, rates, and charges will not exceed the cost to the City of providing the service to which such fees apply, and directs the City Clerk to incorporate the fees, rates, and charges into Section 1 of this resolution.

8. The adoption of this Resolution determines fees for the purpose of meeting the operating expenses of City departments and is therefore exempt from the California Environmental Quality Act.

NOW, THEREFORE, THE SEAL BEACH CITY COUNCIL ESTABLISHES AND RESTATES THE CITY'S FEES, RATES, AND CHARGES FOR MUNICIPAL SERVICES, AS FOLLOWS:
