

## **NOTICE TO RESIDENTS AND MERCHANTS**

### **Issuance of 2016/2017 Parking Permits**

- Currently issued permits will be valid and honored through October 31, 2016.
- The City Council will be reviewing a change in the permit issuance program and expiration of all permits at its next scheduled meeting.
- Based on City Council approval, the renewal and issuance of all parking permits will shift from June of each year to the September/October timeframe.
- If approved by Council, parking permit renewal information will be distributed in early September about the renewal process and issuance of permits.
- If you are a resident and do not currently have a permit, please obtain the needed permits at the Finance Department.
