*** National Night Out ***

Seal Beach, CA. – On Tuesday, August 7th, 2018, the City of Seal Beach will join the efforts of thousands of other communities across the country to promote safety, strengthen police-community partnership and rejuvenate community spirit by participating in the 35th Annual “National Night Out”. This year’s National Night Out provides an opportunity for the Seal Beach Police Department, in conjunction with the Los Alamitos Police Department, the Cypress Police Department, and our community partners, to enhance our crime prevention efforts by promoting cooperative relationships and reinforcing the need for community involvement.

The corporate partner for National Night Out is “Target” and this year’s event will take place at the Old Ranch Town Center at 12300 Seal Beach Boulevard in the northern parking lot. The event begins at 5:00 PM and will end at 8:00 PM. National Night Out is a designated evening when communities across America come together to take a stand against crime, drugs and disorder in their neighborhoods. The Seal Beach Police Department will be partnering with members of the community to affirm our conviction against crime and promote health, safety and personal preparedness.

This will be a great event to get involved in your community and meet your neighbors! With an expected 3500 – 4000 attendees we are looking for clubs, associations, and local businesses who wish to promote their services and products to join in a night of information, interacting with public safety and fun! If you are interested in participating in this great event, visit www.sealbeachca.gov and click on the National Night Out banner. Once on the website, you will have the ability to register your business, civic organization and/or to sign up as a vendor.
