#### **Doctor's Instructions**

The City of Seal Beach has received a limited amount of funds to perform bathroom accessibility modifications for residents of Seal Beach. These funds are intended to help those who are in physical and financial need of assistance. The bathroom modification will take the existing tub and modify it into a walk-in shower; a bench can be added if desired. These improvements are completely <u>free</u> to Program Recipients and are paid for by HUD and the County of Orange. There are more needy applicants than funds available, so <u>please carefully report the true physical condition of your patient</u>.

Please complete the attached form for your patient at your earliest convince and either fax, email or mail it to the address below. Please rest assured that CivicStone, Inc. will keep your report of your patient's health condition confidential.

There is a tight deadline for all applications and the sooner you complete and return the attached Doctor's Form, the sooner your patient's application will be reviewed.

Thank you for your assistance in this matter.
