All cash-out of vacation pursuant to this provision is from hours earned in the current calendar year.

The City shall have a form available for employees to make this irrevocable election and for employees to request an exception to the irrevocable election requirement for unforeseeable emergencies occurring after the election window period. Section 4. Rejection of Probationary Employee

A. During the probationary period an employee may be suspended, demoted, or rejected anytime by the Chief of Police, with approval of the City Manager, without cause and without right of appeal, except the right of appeal of punitive action as may be provided by law. Notification of rejection, in writing, shall be served on the probationary employee and a copy filed with Human Resources. A termination interview may be conducted with each rejected probationer.

B. An exception will be applied where the probationary employee's job termination or dismissal is based on charges of misconduct which stigmatizes his reputation or seriously impairs his opportunity to earn a living, or which might seriously damage his standing and association in the community. Where there is such a deprivation of a "liberty interest", the employee shall be given pre-disciplinary procedural due process as defined in the City of Seal Beach Personnel Rules and Regulations and this Memorandum of Understanding. Prior to the disciplinary action becoming final, the employee must be notified of his right to the appeal procedure as outlined in the Personnel Rules and Regulations.

ARTICLE XVIII - LAYOFF PROCEDURES

Section 1. Policy

The policy for layoff procedures shall be as adopted in City's Personnel Rules and Regulations.

ARTICLE XIX - MISCELLANEOUS PROVISIONS

Section 1. Tuition Reimbursement

A. Higher Education Degree Programs

Unit members attending accredited community colleges, universities, and trade schools for the purpose of obtaining a higher education degree may apply for reimbursement of tuition, books, student fees and parking. Reimbursement is capped each calendar year at the tuition rate of the Cal State University system for up to two (2) semesters of full-time, undergraduate enrollment.

Reimbursement is contingent upon the successful completion of the course. For any course that could be taken for a letter grade, it must be taken for a letter grade and successful completion means a grade of "C" or better for undergraduate courses and a grade of "B" or better for graduate courses. For any course that can only be taken for a grade of "credit" or "no credit", successful completion means a grade of "credit". All claims for tuition reimbursement require prior approval and are subject to verification and approval by the City Manager. This tuition reimbursement does not pertain to P.O.S.T. courses attended on duty.

Example 1: Officer A attends California State University, Long Beach, for the Spring 2024 semester and completes two (2) 3-unit undergraduate courses with a grade of "C" or better. The tuition reimbursement would be calculated as follows:

2020-2021	State University Tuition	\$ 1,764.00 (0-6 units)
	Required University Fees	\$ 647.00 (approx.)
	Parking	\$ 300.00
	Books	\$ 535.00 (approx.)
	TOTAL	\$ 3,246.00

Example 2: Officer B attends California State University, Long Beach, for the Spring 2024 semester and completes three (3) 3-unit undergraduate courses with a grade of "C" or better. The tuition reimbursement would be calculated as follows:

2023-2024	State University Tuition	\$ 3,042.00 (6.1 or more units)
	Required University Fees	\$ 647.00 (approx.)
	Parking	\$ 300.00
	Books	\$ 535.00 (approx.)
	TOTAL	\$ 4,524.00

B. Professional Conventions and Conferences

Unit members who attend job related conventions and conferences that are not sponsored by the Department may submit for reimbursement under the tuition reimbursement program for the cost of enrollment. Attendance of conventions and conferences must be job related and pre-approved by the Chief of Police. The cost of travel, sustenance, and lodging is not reimbursable under tuition reimbursement per IRS Publication 970.

Travel, sustenance, and lodging may be reimbursable via the Department's Meetings and Conference budget. Employee is to submit a request to the Chief of Police prior to travel for approval in order to receive reimbursement for travel, sustenance, and lodging after the conference. All receipts for expenses must be attached to the reimbursement request and submitted to the Chief of Police for approval, and forwarded to the City Manager for final review and approval.

Section 2. Physical Fitness Program

exams or the cost of participation in wellness programs, in an amount not to exceed \$400 per fiscal year, subject to the City's normal reimbursement processes and requirements for such expenses. Side Letter of Agreement
Between the City of Seal Beach
and
The Seal Beach Police Officers Association
Regarding Floating Holidays

WHEREAS, the City of Seal Beach ("CITY") and the Seal Beach Police Officers Association ("SBPOA") (collectively, the "Parties") are parties to a Memorandum of Understanding ("MOU") that is in effect from July 1, 2023 through June 30, 2025 and governs the wages, hours, and other terms and conditions of employment of the classifications represented by the SBPOA; and,

WHEREAS, Article XII, Section 2 of the MOU provides the terms for accrual and use of floating holidays for classifications represented by SBPOA; and,

WHEREAS, the in drafting the MOU, the Parties inadvertently deleted the first paragraph of Article XII, Section 2. The Parties wish to amend the MOU to reinsert the first paragraph to Article XII, Section 2 of the MOU to correct this drafting error.

NOW, THEREFORE, the Parties agree that the following shall be inserted into Article XII, Section 2 of the MOU as the first paragraph of that section:

The City will also recognize two (2) floating holidays each fiscal year. Each unit employee shall be eligible to accrue up to a maximum of two (2) floating holidays on July 1st of each year, subject to the following limitations. The floating holidays shall be taken, or may be cashed out, during the fiscal year (July 1st through June 30th) in which they are accrued. An employee may not have more than two (2) floating holidays on the books at any time. If an employee does not use, or cash out, both of his/her floating holidays within the fiscal year in which the employee accrued them, he/she will not earn two (2) additional floating holidays in the next fiscal year. Instead, the employee will only earn that number of floating holidays, on July 1st of each year that will bring the employee's balance of floating holidays to two (2). Thus, if an employee uses, or cashes out, only one (1) floating holiday during a fiscal year, that employee will only accrue one (1) additional floating holiday on July 1st of the following fiscal year, bringing the employee's floating holiday balance up to two (2) floating holidays. The parties encourage employees in the unit to use their floating holidays. Since floating holidays cannot be removed from an employee once earned, and the parties do not want employees to have more floating holidays on the books than would be received within the current fiscal year, a floating holiday(s) carried over at the end of the fiscal year results in the employee being unable to earn that holiday(s) in the next fiscal year.

Except as modified by this side letter, the MOU shall remain in full force and effect.

SEAL BEACH POLICE PHYSICAL FITNESS PROGRAM

INTRODUCTION

The physical fitness program is a voluntary program for all sworn officers. Officers work out on their off duty time and may, depending upon availability of funds and staffing needs, in return receive compensation back to them after meeting the minimum requirements of the tests at the end of each six (6) month period. Officers may receive up to twenty (20) hours of vacation time by meeting the requirements of the test at the end of each six (6) month period. The maximum time each officer will be able to achieve is up to forty (40) vacation hours earned annually for as long as the officer continues successfully in the program.

ENROLLMENT

To start the program, each officer must contact the Physical Fitness Committee and advise them of your intent. You will need to have a doctor's release to allow you to participate in the program. A copy of the physical requirements of the physical fitness program should be reviewed by your doctor when obtaining your release. For details of the annual physical exam refer to Article XIII section 6 of the SBPOA MOU.

TESTING

Each officer participating will be tested every six (6) months, specifically in the months of January and July. A minimum level has been established for each test. Participants will have to move up a category or reach maintenance level indicated on each test by age group. At one (1) year and six (6) months, participants will be required to be at the maintenance level. Once the maintenance level has been attained, participants will have to maintain that level on subsequent tests. Testing each six (6) month period will validate the awarding of vacation time. Testing may be conducted during on-duty hours at the Watch Commanders discretion. The Physical Fitness Committee will perform the testing.

ALLOCATION OF HOURS

Employees will be awarded four (4) hours for successfully completing each test as set forth in TESTING above. No employee shall receive any hours if they fail to meet the minimum standards for at least three (3) of the five (5) tests.

PHYSICAL FITNESS COMMITTEE

The Physical Fitness Committee shall be comprised of four (4) members - two (2) to be appointed by the SBPOA Board of Directors, and two (2) to be appointed by the Chief of Police. The Physical Fitness Committee is established to retain administrative control over the program. All committee members shall be active participants in the program. The committee will be responsible for examining problems and disputes that arise from the administration of the program. The committee will be the formal arbitrators on these matters.

VALIDATED HEALTHCARE PROBLEM CLAUSE

Those officers who for validated Healthcare reasons cannot participate in the fitness program as designed may contact the Physical Fitness Committee for program modification. Validated Healthcare problems are those diagnosed by a physician as limiting participation in a certain activity.

REQUIRED TEST

The physical fitness needs of Police Officers fall into three (3) areas:

- Cardio Fitness
- Strength
- Flexibility

The tests outlined below may be modified by the Physical Fitness Committee as necessary. The tests used in this program to evaluate fitness in these areas will be:

<u>Cardio Fitness:</u>	1.5 Mile run		
<u>Strength:</u>	Push-ups	Sit-ups	Pull-ups
<u>Flexibility:</u>	Forward Stretch		

HEALTHCARE COVERAGE

Participation in the program will be on a voluntary basis.

Any exercise workouts done under this program, i.e. weight lifting, contact sports, running, etc. would not be covered for benefits under Workers Compensation. The city will not provide blanket coverage for any injury which could conceivably be claimed under the pretext of participation in the Physical Fitness Program.

All employees must receive clearance from their personal physician prior to beginning program participation.

CARDIO FITNESS TESTS - 1.5 Mile Run

Officers will run a one point five (1.5) mile course established by the Training Unit. The time needed to cover the distance is recorded and compared to the standards on the chart.

This test is an excellent indication of the condition of the heart and lungs as it measures ones aerobic capacity or the ability of the heart and lungs to utilize oxygen.

STRENGTH TESTS

The body is maintained in a prone position supported by straight arms on the hands and toes. A partner places his fist on the ground below the officer's chest. The officer must keep his back straight at all times and from the up position, lower him/herself to the floor until his chest touches his partner's hand and then push to the up position again. The officers can rest in the up position. The total number of correct push-ups are recorded and compared to the standards on the chart.

This test measures muscle endurance and a low level of muscle endurance indicates an inefficiency in movement and a poor capacity to perform work. This test measures mainly the muscles of both the chest and upper arm which are important in physical confrontations such as pushing, pulling, controlling, and handcuffing.

PULL-UPS

Officer will hold bar with the palms away from the body. Arms are extended out straight in the beginning position with the feet off the ground. Officer must pull his body up to a position where his chin is above the bar for one repetition. The total number of correct pull-ups are recorded and compared to the standards on the chart.

In lieu of pull-ups, officers may choose to do the "La Pull". Officers are required to pull down seventy percent (70%) of their body weight ten (10) times in order to achieve maintenance level.

SIT-UPS

Officer starts by lying on his/her back, knees bent, heels flat on the floor and arms folded across the chest. A partner holds the feet down. In the up position, the officer will touch his elbows to his knees and then return to the starting position, not placing their shoulder blades on the ground before starting the next sit-up. This is a continuous exercise, no resting. The total number of correct sit-ups are recorded and compared to the standards on the chart.

This test measures muscular endurance in the abdominal muscle group, an area of great concern to the sedentary individual. Much evidence exists of the correlation between poor abdominal muscle development, excessive fat tissue and lower back problems.

FLEXIBILITY

Officer sits on the ground with his legs out straight in front of him. Heels of feet are placed against a 4 X 4 or similar object. Officer bends forward and reaches towards his toes with his fingertips as far as he can. The distance above or below his heels is measured. The distance is recorded as plus or minus inches. Plus inches is below the heels and negative is above the heels. Compare the results against the standards on the chart.
