## CONSTRUCTION NOTICE

---

---

### **Traffic Signal Pole Replacement at the intersection of Lampson Ave. and Seal Beach Blvd.**

The City's traffic signal contractor, Siemens, will be working to replace a traffic signal pole on October 10, 2016 from 9:00a.m. to 3:00p.m. This work will be limited to one day. The traffic signals at this intersection will not be operational during this time frame. Stop signs will be placed in the street for all directions of travel and will be maintained throughout the entire construction period. All traffic movements will be allowed and accessible throughout the entire time, with no detours.

If you have any questions or concerns, please contact Cesar Rangel, Project Manager at (562) 431-2527 ext. 1328 or email [crangel@sealbeachca.gov](mailto:crangel@sealbeachca.gov).
