## Rip Curl is Almost Open on PCH

The former Fresh and Easy located at 800 Pacific Coast Highway was divided into two tenant spaces. The larger space will be occupied by Rip Curl, a surfing and apparel retail store. Interior improvements have been completed for the retail store and the exterior is almost done as well.

## Farmers &amp; Merchants Bank Moved Back In

The Farmers & Merchants Bank located at 12535 Seal Beach Boulevard in the Shops at Rossmoor completed interior and exterior renovations to the building. The bank was operating out of a temporary trailer during the construction but has now moved back into the building. The building is complete but there is ongoing work around it to repair the parking lot and install new landscaping.

## Board of Education Meeting

**The Board of Education Meeting that was scheduled for September 26 has been cancelled. The next meeting is scheduled for Tuesday, October 10, 2017.**

## Tree Trimming in Old Town Seal Beach

Tree trimming is ongoing throughout the City. At this time, work crews are deployed in both Old Town and on the Hill, trimming palm trees. Work was completed along Lampson Avenue earlier in September. Still remaining in the trimming cycle this fiscal year are additional trees on arterial streets, along with Main Street trees.

## Water Department

The City of Seal Beach Water Department is always in the process of repairing and replacing water meters that are inoperable due to various malfunctions. Meters need to be accurate and visible to read water usage. In the picture below, a 6 inch compound water meter is being replaced due to the water meter being stuck; both the pipeline and meter were replaced.

## Seal Beach Welcomes New Employee

Joseph Talarico has joined the Seal Beach team as a Maintenance Services Supervisor. Joseph was employed 17 years in the San Gabriel Valley region through the City of Pomona and the City of San Gabriel Valley, where he held various positions including Park Maintenance I, II, Park Maintenance Specialist and City Arborist. Joseph received an Associate of Science Degree in Horticulture from Mt. San Antonio College and is an ISA Certified Arborist through the International Society of Arboriculture. He also holds a Qualified Applicator Certification in Category A,B,C and F through the California Department of Pesticide

## Main Street Brightened With New Plants

Vibrant plants and flowers were added to the bulb-outs on Main Street, bringing new color and life to the street.
