**PERMIT FEES:**

- **\$15 Resident**  
(limit 1 per registered vehicle)
- **\$20 Guest**  
(maximum 2 per residence)
- **\$43 Merchant Parking**

## Emergency Valve Fix in CPW

The City of Seal Beach hired Val Verde construction for an emergency 4 inch valve break that feeds Edison Park fields and gardens. The Water Department was able to get a good water shutdown for Val Verde, allowing them to cut in the new 4 inch gate valve. The valve was 8 feet deep and required a backhoe for excavation. The excavation will be backfilled, compacted and asphalted to grade.

## Closed Circuit Television

Public Works has recently completed CCTV (Closed Circuit Television) for a section of the Marina Drive storm drain near 1<sup>st</sup> Street. A small crawler mount unit was inserted through the storm system, traveling approximately 500 feet to give views of the pipe and system condition for the upcoming wet weather season. Crews are scheduling more storm drain CCTV work in College Park East for the lines draining to the Old Ranch Golf Course. Public Works has been performing routine pre-winter season maintenance on the City's storm water facilities the past few months; CCTV is helping to ensure the underground integrity of the infrastructure.

## Seal Beach Police to Take Back Unwanted Prescription Drugs

On Saturday, October 28th from 10 a.m. to 2 p.m., the Seal Beach Police Department and the Drug Enforcement Administration (DEA) will give the public an opportunity to prevent pill abuse and theft by ridding their homes of potentially dangerous expired, unused, and unwanted prescription drugs. Bring your pills for disposal to the Leisure World Retirement Community – FRONT GATE at 13533 Seal Beach Blvd. (The DEA cannot accept liquids or needles or sharps, only pills or patches.) The service is free and anonymous, no questions asked.

This initiative addresses a vital public safety and public health issue. Medicines that languish in home cabinets are highly susceptible to diversion, misuse, and abuse. Rates of prescription drug abuse in the U.S. are alarmingly high, as are the number of accidental poisonings and overdoses due to these drugs. Studies show that a majority of abused prescription drugs are obtained from family and friends, including from the home medicine cabinet. In addition, Americans are now advised that their usual methods for disposing of unused medicines—flushing them down the toilet or throwing them in the trash—both pose potential safety and health hazards.

For more information about the disposal of prescription drugs or about the October 28th Take Back Day event, please visit the [DEA Diversion website](#).

## Pump Station 35

The Sewer Division recently painted Pump Station 35, serving the Old Town District. As the station ages, we are placing special attention to both the mechanical and aesthetic components. The painting project took place over two days and materials were sourced from a local vendor here in Seal Beach. Before and after pictures are seen to the right.

# PUMPKIN FEST

Bring your own pumpkin to paint & wear  
your best costume!

Spook-tacular crafts and activities!
