NATIONAL NIGHT OUT IS TUESDAY, AUGUST 1st!

Recreation Department Summer Programs

The past two weeks of summer offered a variety of camps throughout the City, including Mad Science, Top Chef Cooking, Soccer, LEGO®, and gymnastics camps! Click [here](#) to check out the summer issue of the *Shoreline* Brochure for a full schedule of camps, classes and events.

NATIONAL NIGHT OUT

On Tuesday, August 1, 2017, the City of Seal Beach will join the efforts of thousands of other communities across the country to promote safety, strengthen police-community partnership and rejuvenate community spirit by participating in the 34th Annual "National Night Out". This year's National Night Out provides an opportunity for the Seal Beach Police Department, in conjunction with the Los Alamitos Police Department, the Cypress Police Department, and our community partners, to enhance our crime prevention efforts by promoting cooperative relationships and reinforcing the need for community involvement.

The corporate partner for National Night Out is "Target" and this year's event will take place at the Old Ranch Town Center at 12300 Seal Beach Boulevard in the northern parking lot. The event begins at 5:00 PM and will end at 9:00 PM. National Night Out is a designated evening when communities across America come together to take a stand against crime, drugs and disorder in their neighborhoods. The Seal Beach Police Department will be partnering with members of the community to affirm our conviction against crime and promote health, safety and personal preparedness.

This will be a great event to get involved in your

community and meet your neighbors! With an expected 3500 – 4000 attendees we are looking for clubs, associations, and local businesses who wish to promote their services and products to join in a night of information, interacting with public safety and fun! If you are interested in participating in this great event, visit www.sealbeachca.gov and click on the National Night Out banner. Once on the website, you will have the ability to register your business, civic organization and/or to sign up as a vendor.

POLICE • COMMUNITY PARTNERSHIPS

Public Works Information

New Flag Pole at the Marina Community Center

As Public Works inspects flags weekly for any unusual wear or damage, the team found a damaged pulley on the flag pole at the Marina Community Center. Due to the difficulty of access, crews rented a specialized 80 foot telescoping lift to make the repair. Work was scheduled around summer programs at the center due to the safety concerns involved with the overhead work, and completed on time, before the start of the 9:00 a.m. activities. Flags are subject to UV damage and stresses from winds, while their cables and pulleys also require attention, making flag inspections a weekly task.

Concrete Repair in Alley Behind Ocean Avenue

The Streets Division recently repaired a concrete alley panel behind 401 Ocean Avenue. A small damaged section required a complete panel replacement to maintain the integrity of the existing pavement. Crews excavated, re-compacted, and then placed a large steel plate over the trench, allowing for traffic and access, while concrete was scheduled the following day. A high strength concrete was used to reach the desired strength and allow the alley to be opened up to full traffic as soon as possible.

Water Meter Box Replacements throughout the City

The City of Seal Beach Water Department has been in the process of changing water meter boxes due to cracked concrete boxes from trees and old age. In this process, we saw cut the old meter box out and replace with new meter box, meter lid, and new surrounding concrete to complete the job. This replacement process will enhance streets throughout the City.

Planning for the Future of Local Schools: Join Our Second Town Hall Meeting

Community input is invaluable as we assess our district's facilities needs and work to ensure our students have the resources they need to succeed. If you were not able to make our first Town Hall Meeting or would like to remain involved, we hope you will join us in August as we continue to shape the future for local students.

WHAT: Second Town Hall Meeting

WHEN: 6:30pm – 7:30pm, August 8, 2017

WHERE: Los Alamitos High School, Rooms 153-154,
3591 Cerritos Ave., Los Alamitos, CA 90720

Visit www.LosAl.org/ShapeTheFuture to RSVP or for more information.

California Surf Life Saving Association Regionals

This year we took 70 competitors from the 2017 Junior Lifeguards to Silver Strand State Beach in San Diego to compete in CSLSA (California Surf Life Saving Association) Regionals. We had a strong showing in all events, with quite a few medals won. For the C division, Ryder Dodd won the RSR (Run-Swim-Run) and Distance Swim! Nathaniel Banks placed 4th in the Distance Swim, and 1st with partner Wyatt Sosenko in the Rescue Relay. In the B division we placed 2nd in the Run Relay; Alyssa Perkins was 5th in Flags, and Reef Danner was 6th. Reef Danner and Liam Maples also won the B Rescue Relay. In the

A/AA division Chris Howard won the highly competitive U19 flags, and was 2nd in the sand sprint. Klaus Quinonez placed in the distance run, and AA's Daniella Spina and Max Bergman, also placed 2nd in the Board Rescue Race. It was a great day!
