Recreation Department Hosts the 2nd Annual Seal Beach Summer Send-Off

The 2nd Annual Seal Beach Summer Send-Off was Saturday, August 26th in Heather Park. The event included food, games, crafts and the movie "Moana". The Lions Club cooked and sold hot dog meals; all proceeds were donated to the College Park East Neighborhood Association (CPENA). CPENA sold fresh popcorn for the movie, collecting a total donation of \$450 for the association.

Activities started at 5:30 p.m. with crafts, a tattoo station, face painting and games. The craft station went along with the "Moana" movie theme and attendees made their own lei necklaces, bracelets and headbands. The temporary tattoos, face painting and water balloon toss were also a hit!

Interior Painting at Marina Community Center

Public Works crews recently completed the painting of the Marina Community Center facility ceilings. Work was scheduled around recreation programs and completed in early morning hours of the weekend. Crews spent hours prepping the ceilings and protecting the rooms, while utilizing a paint sprayer to help re-open the facility as soon as possible. Mayor Pro Tem Mike Varipapa designated a portion of his Council District 3 discretionary funds to support this project.

Seal Beach Tennis Center

The Seal Beach Tennis Center hosted the Annual Inner City High School Tennis Event on Sunday, August 27th. The Tennis Center provided Pro instructors to run tennis drills on six different courts. The Lions Club provided lunch for about 200 people.

Members of the Tennis Club donated 50 cases of new tennis balls, over 80 tennis racquets, and tennis apparel. Tennis Legend Michael Chang donated 100 player bags for the kids.

Honoring and Observing September 11th

September 11 will soon be here. While we know that you have many choices to participate in observations on this day, we would like to extend to you our invitation to OCFA's memorial service at either the Regional Fire Operations and Training Center (RFOTC) or station remembrances at any one of our Fire Stations. Below identifies the events at our facilities:

At RFOTC:

The memorial service will begin at exactly 8:40 a.m., in coordination with the timing of the loss of the first plane. The service will take place outside at the Firefighter Memorial located in front of our main building's reception entrance.

At any OCFA Fire Station:

All OCFA Fire Stations will be participating, and these ceremonies will begin at exactly 9:03 a.m., which coincides with the loss of the second plane. These station remembrances will not mirror the full memorial service at the RFOTC. It will consist of uniformed personnel standing in formation, sharing the Fire Chief's message from the RFOTC memorial service.
