

MARIANN KLINGER
Planning Commissioner

As a candidate for Seal Beach City Council in District 5, I believe I can serve my Leisure World neighbors, representing their needs and interests as the vital part of the city they are. I will support their interests along with those of all city residents. I hope to maintain the vision of community and caring that makes Leisure World and Seal Beach successful.

For the past seven years I have served on the city's Planning Commission, appointed by City Council Member Sandra Massalavitt. As a planning commissioner and as a 13-year resident of the city and of Leisure World, I am familiar with the wonderful small town atmosphere of Seal Beach and the close-knit community of Leisure World. I have been fortunate enough to serve with security for ten years and to help many of my neighbors.

I believe my previous work experience and education will serve me well on the Seal Beach council. I covered city and county governments for 20 years as a daily newspaper reporter and editor, mostly in Monterey County. I earned a BA degree in communications and a MA in Political Science.

In Leisure World I am active in a number of clubs and organizations and I am endorsed by the Orange County Firefighters Association.
