The Mayor shall have a voice and vote in all its proceedings. The Mayor shall be the official head of the City for all ceremonial purposes. The Mayor shall also act in a liaison capacity between the City Council and the City Manager, and in such capacity shall advise the City Manager on matters of Council Policy. The Mayor shall perform such other duties consistent with the office as may be prescribed by this Charter or as may be imposed by the City Council. The Mayor shall serve in such capacity at the pleasure of the City Council.

b) Mayor Pro Tempore. At the same time as a Mayor is selected, the City Council shall also designate one (1) of its members as Mayor Pro Tempore, who shall serve in such capacity at the pleasure of
the City Council. The Mayor Pro Tempore shall perform the duties of the Mayor during the Mayor’s absence or disability.  (Amended 1974)

SECTION 405. **Powers Vested in the City Council.** All powers of the City shall be vested in the City Council except as otherwise provided in this Charter.

SECTION 406. **Interference in Administrative Service.** Neither the City Council nor any of its members shall interfere with the execution by the City Manager of his/her powers and duties; or order, directly or indirectly, the appointment by the City Manager or by any of the department heads in the administrative service of the City, of any person to an office or employment or removal therefrom. Except for the purpose of inquiry, the City Council and its members shall deal with the administrative service under the City Manager solely through the City Manager and neither the City Council nor any member thereof shall give orders to any subordinate of the City Manager, either publicly or privately.

SECTION 407. **Meetings.** The City Council shall hold regular meetings at least once each month in accordance with the Brown Act (California Government Code Section 54950 et seq.), as such statute now exists or may hereafter be amended, at such times, as it shall fix by ordinance or resolution. If at any time any regular meeting falls on a holiday, such regular meeting may be held thereafter prior to the next regular meeting. (Amended 2002)

SECTION 408. **Special Meetings** (Repealed 2002 – Superseded by Section 407)

SECTION 409. **Place of Meeting.** All meetings shall be held in such place, as the City Council shall fix by ordinance or resolution, or in such place to which any such meeting may be adjourned and shall be open to the public. If, by reason of fire, flood, or other emergency, it shall be unsafe to meet in the place designated, the meetings will be held for the duration of the emergency at such place as is designated by the Mayor, or if he/she should fail to act, by three (3) members of the City Council.

SECTION 410. **Quorum. Proceedings.** A majority of the members of the City Council shall constitute a quorum to do business, but a less number may adjourn from time to time. In the absence of all of the members of the City Council from any regular meeting, the City Clerk may declare the same adjourned to a stated day and hour. Notice of a meeting adjourned by less than a quorum or by the Clerk shall be given by the Clerk or may be waived by consent in the same manner as specified in this Charter for the giving or waiving of notice of special meetings of the City Council, but need not specify the matters to be acted upon.
The City Council shall judge the qualifications of its members as set forth by the Charter. It shall judge all election returns. It may establish rules for the conduct of its proceedings and evict or prosecute any members or other person for disorderly conduct at any of its meetings.

Each member of the City Council shall have the power to administer oaths and affirmations in any investigation or proceedings pending before the City Council. The City Council shall have the power and authority to compel the attendance of witnesses, to examine them under oath, and to compel the production of evidence before it. Subpoenas shall be issued in the name of the City attested by the City Clerk. Disobedience of such subpoenas, or the refusal to testify (except as to privileged matters), shall constitute a misdemeanor, and shall be punishable in the same manner as violations of this Charter are punishable.

At the demand of any member or upon the adoption of any ordinance, resolution, or order for the payment of money, the City Clerk shall call the roll and shall cause the ayes and noes taken on such question to be entered upon the minutes of the meeting.

SECTION 411. Citizen Participation. No citizen shall be denied the right, personally or through counsel, to present grievances at any regular meeting of the Council, or offer suggestions for the betterment of municipal affairs subject always to the rules of the City Council governing the conduct of Council meetings.

SECTION 412. Adoption of Ordinances and Resolutions. With the sole exception of ordinances, which take effect upon adoption, referred to in this Article, no ordinance shall be adopted by the City Council on the day neither of its introduction, nor within five (5) days neither thereafter nor at any time other than at a regular or adjourned regular meeting. At the time of its introduction an ordinance shall become part of the proceedings of such meeting in the custody of the City Clerk. At the time of adoption of an ordinance or resolution, it shall be read in full, unless after the reading of the title thereof, the further reading thereof is waived by unanimous consent of the council members present. In the event that any ordinance is altered after its introduction, the same shall not be finally adopted except at a regular or adjourned regular meeting held not less than five (5) days after the date upon which such ordinance was so altered. The correction of typographical or clerical errors shall not constitute the making of an alteration within the meaning of the foregoing sentence.

No order for the payment of money shall be adopted or made at any other than a regular or adjourned regular meeting.

Unless a different vote is required by other provisions of this Charter, the affirmative votes of at least three (3) members of the City Council shall be required for the enactment of any ordinance, or for the making or approving of
any order for the payment of money. All ordinances and resolutions shall be signed by the Mayor and attested by the City Clerk.

Any ordinance declared by the City Council to be necessary as an emergency measure for preserving the public peace, health, or safety, and containing a statement of the reasons for its urgency, may be introduced and adopted at one and the same meeting.

SECTION 413. **Ordinances. Enactment.** In addition to such other acts of the City Council as are required by this Charter to be by ordinance, every act of the City Council establishing a fine or other penalty, or granting a franchise, shall be by ordinance.

The enacting clause of all ordinances shall be substantially as follows: “The City Council of the City of Seal Beach does ordain as follows:”

SECTION 414. **Ordinances. Publication.** The City Clerk shall cause each ordinance to be published at least once in the official newspaper, within fifteen (15) days after its adoption.

SECTION 415. **Ordinances. Codification.** Any or all ordinances of the City which have been enacted and published in the manner required at the time of their adoption, and which have not been repealed, may be compiled, consolidated, revised, indexed and arranged as a comprehensive ordinance code, and such code may be adopted by reference, with the same effect as an ordinance, by the passage of an ordinance for such purpose. Such code need not be published in the manner required for other ordinances, but not less than (3) three copies thereof shall be filed for use and examination by the public in the office of the City Clerk prior to the adoption thereof. Ordinances codified shall be repealed as of the effective date of the code. Such code may be subsequently revised, recompiled, recodified and indexed, including such restatement and substantive change as necessary in the interest of clarity, in the same manner as prescribed in this Section for the original adoption by reference of an ordinance code. Amendments to the code shall be enacted in the same manner as ordinances.

Detailed regulations pertaining to the construction of buildings, plumbing and wiring, when arranged as a comprehensive code, may likewise be adopted by reference in the manner provided in this Section. Maps, charts and diagrams also may be adopted by reference in the same manner.

SECTION 416. **Ordinances. When Effective.** No ordinance shall become effective until thirty (30) days from and after the date of its adoption, except the following, which shall take effect upon adoption:
a) An ordinance calling or otherwise relating to an election.

b) An improvement proceeding ordinance adopted under some law or procedural ordinance.

c) An ordinance declaring the amount of money necessary to be raised by taxation, or fixing the rate of taxation, or levying the annual tax upon property.

d) An emergency ordinance adopted in the manner provided for in this Article.

SECTION 418. Publishing of Legal Notices. In the event that there is more than one (1) newspaper of general circulation published and circulated in the City, the City Council, annually, prior to the beginning of each fiscal year, shall publish a notice inviting bids and contract for the publication of all legal notices or other matter required to be published in a newspaper of general circulation in said City during the ensuing fiscal year. In the event there is only one (1) newspaper of general circulation published and circulated in the City, then the City Council shall have the power to contract with such newspaper for the printing and publishing of such legal notices or matter without being required to advertise for bids therefore. The newspaper with which any such contract is made shall be designated the official newspaper for the publication of such notices or other matter for the period of such contract.

In no case shall the contract prices for such publications exceed the customary rates charged by such newspaper for the publication of legal notices of a private character.

In the event there is no newspaper of general circulation published and circulated in the City, then all legal notices or other matter may be published by posting copies thereof in at least three (3) public places in the City.

No defect or irregularity in proceedings taken under this Section, or failure to designate an official newspaper, shall invalidate any publication where the same is otherwise in conformity with this Charter or law or ordinance.

SECTION 419. Contracts. Restrictions. The City Council shall not have the power to make or authorize any contract or lease or extension thereof for a longer period than sixty-six (66) years unless said contract, lease or extension is approved by a majority of the qualified electors of the City voting on such question at any election. This Section shall not apply to any franchise granted pursuant to the provisions of this Charter, or to any contract for the furnishings, or acquisition of the products, commodity or services of any public utility.

At any meeting after the adoption of the budget, the City Council may amend or supplement the budget by motion adopted by the affirmative votes of at least three (3) members so as to authorize the transfer of unused balances appropriated for one purpose to another purpose or to appropriate available funds not included in the budget or to cancel any appropriation not expended or encumbered.

SECTION 1006. *Centralized Purchasing.* Under the control and direction of the City Manager there shall be established a centralized purchasing system for all City departments and agencies, except as otherwise in this Charter provided.

SECTION 1007. *Tax Limits.* Unless a majority of the city electors voting at an election held for that purpose are in favor of it, annual property tax shall not exceed one dollar ($1.00) on each one hundred dollars ($100.00) exclusive of such tax as may be necessary to pay the costs of any pension plan for City employees adopted pursuant to Article 2, Chapter 2, of Division 5, exclusive of such tax, not to exceed five cents ($0.05) on each one hundred dollars ($100.00), as may be necessary to pay the costs of civil defense or disaster preparedness, exclusive of such tax as may be necessary to pay the costs of sewerage facilities, exclusive of such tax as may be necessary to pay the costs of park and recreation facilities and exclusive of such tax in addition to the annual tax levy for other municipal purposes authorized by Sections 20532, 37465, 37558, and 43069 of the Government Code, Section 5304 of the Public Resources Code and Section 22241 of the Education Code, as they now exist or forever may be amended.

SECTION 1008. *Tax Procedure.* The procedure for the assessment, levy and collection of taxes upon property, taxable for municipal purposes, may be prescribed by ordinance of the City Council.

SECTION 1009. *Bonded Debt Limit.* The City shall not incur indebtedness evidence by general obligation bonds, which shall in the aggregate exceed the sum of fifteen per cent (15%) of the total assessed valuation, for purposes of City taxation, of all the real and personal property within the City.

No bonded indebtedness which shall constitute a general obligation of the City may be created unless authorized by the affirmative votes of two-thirds (2/3) of the electors voting on such proposition at any election at which the question is submitted to the electors and unless in full compliance with the provisions of the State Constitution and of this Charter.
SECTION 1010. *Contracts on Public Works.* The City Council shall adopt policies and procedures governing contracting for public works which are defined to include the construction or improvement of public buildings, works, streets, drains, sewers, utilities, parks or playgrounds. The City Council may, in its sole discretion, adopt selected policies and procedures by reference to state law, but no state law shall govern public works contracting unless it is expressly adopted by the City Council or has been finally determined to be applicable to all charter law cities by an appellate court with jurisdiction over the City of Seal Beach. Except as otherwise provided in this Charter or by state law made applicable to the City of Seal Beach, the City Council shall award to the lowest responsible bidder each contract involving an expenditure of more than the bidding threshold amount (as defined in this Section) for the construction or improvement of public works or for the purchase of supplies or materials for any such project. Bids shall be solicited via notice by publication in the official newspaper by one or more insertions, the first of which shall be at least ten (10) days before the time for opening bids and such other forms of notice as the City Council may direct. Public Works are exempted from the requirements of this Section where the work will be performed by a City or County of Orange department.

All bids may be accompanied by either a certified or cashier’s check, or a bidder’s bond executed by a corporate surety authorized to engage in such business in California, made payable to the City. Such security shall be in an amount not less than that specified in the notice inviting bids or in the specifications referred to therein, or if no amount be so specified then in an amount not less than ten percent (10%) of the aggregate amount of the bid. If the successful bidder neglects or refuses to enter into the contract, within the time specified in the notice inviting bids or in the specifications referred to therein, the amount of his bidder’s security shall be declared forfeited to the City and shall be collected and paid into its general fund, and all bonds so forfeited shall be prosecuted and the amount thereof collected and paid into such fund.

The City Council may reject any and all bids presented and may re-advertise in its discretion.

The City Council, without advertising for bids, or after rejecting bids, or if no bids were received, may declare and determine that in its opinion, based on estimates approved by the City Manager, the work in question may be performed better or more economically by the City with its own employees or the supplies or materials may be purchased more economically on the open market. Contracts likewise may be let without advertising for bids, if such work, supplies or materials shall be deemed by the City Council to be of urgent necessity for the preservation of life, health, or property. In either event, the Council shall adopt a resolution with findings supporting the letting of a contract without advertising for bids by at least three (3) affirmative votes of the Council, after which the City may proceed to have such work done or said supplies and materials purchased in the manner stated, without further observance of the provisions of this Section.
The bidding threshold amount shall be Twenty Thousand Dollars ($20,000) initially, and shall annually be adjusted by the City Engineer upon confirmation by the City Council. On June 1st of each year, the City Engineer shall compute the percentage difference between the current Engineering News Record Construction Cost Index – 20 City Average (ENR) and the ENR for the previous June 1st. The City Engineer shall adjust the bidding threshold amount by such percentage, rounding to the nearest dollar. The City Council shall review such adjustment at a public hearing and upon Council confirmation; the bidding threshold amount shall be the adjusted figure. Should the ENR be revised or discontinued, the City Engineer shall use the revised index or a comparable index approved by the City Council. (Amended 2002)

SECTION 1010.5. Design-Build Contracts on Public Works.
Notwithstanding any other provision of this Charter, the City may enter into a design-build contract for both the design and construction of a project in accordance with this Section. Prior to the execution of a design-build contract, the City Council shall evaluate at a public meeting the comparative advantages for the particular project of the traditional design, bid, and build process of construction and the design-build process. No design-build process contract shall be executed unless the City Council makes written findings that use of the design-build process on the project will accomplish one or more of the following objectives: reduction of project costs; expediting project completion; or provision of design features not achievable through the design, bid, and build process. (Amended 2002)

SECTION 1011. Presentation of Demands. Any demand against the City must be in writing and may be in the form of a bill, invoice, payroll or formal demand. Each such demand shall be presented to the financial designee of the City Manager, who shall examine the same. If the amount thereof is legally due and there remains on the City books an unexhausted balance of an appropriation against which the same may be charged, he/she shall approve such demand and draw a warrant on the City Treasury, payable out of the proper fund. Objections of the financial designee of the City Manager may be overruled by the City Council and warrant ordered drawn.

The financial designee of the City Manager shall transmit such demand, with his/her approval or rejection thereof, endorsed thereon, and warrant, if any, to the City Manager. If a demand is one for an item included within an approved budget appropriation, it shall require the approval of the City Manager; otherwise it shall require the approval of the City Council. Any person dissatisfied with the refusal of the City Manager to approve any demand, in whole or in part, may present the same to the City Council which, after examining the matter, may approve or disapprove the demand in whole or in part. (Amended 1973)
SECTION 1012. **Registering Warrants.** Warrants on the City Treasurer, which are not paid for lack of funds, shall be registered. All registered warrants shall be paid in the order of their registration when funds therefore are available and shall bear interest from the date of registration at such rate as shall be fixed by the City Council by resolution.

SECTION 1013. **Independent Audit.** The City Council shall employ at the beginning of each fiscal year, a certified public accountant who shall, at such time or times as may be specified by the City Council, and at such other times as he/she shall determine, examine the official books, records, inventories and reports of all officers and employees who receive, handle or disburse public funds and all such other officers, employees or departments as the City Council may direct. Within one hundred twenty (20) days after the end of the fiscal year, unless such time shall be extended by the Council, a final audit and report shall be submitted by such accountant to the City Council, one copy thereof to each member, one to the City Manager, Treasurer and City Attorney, respectively, and three (3) additional copies to be placed on file in the office of the City Clerk where they shall be available for inspection by the general public. (Amended 1974)

SECTION 1100. Franchises to Operate. No person, firm or corporation shall exercise any franchise, right or privilege mentioned in this Article in the City except insofar as he/she/it may be entitled to do so by direct authority of the Constitution of the State of California or of the United States, unless he/she/it shall have obtained a grant therefore in accordance with the provisions of this Charter and in accordance with the procedure prescribed by ordinance. Nothing contained in the Article shall be construed to invalidate any lawful franchise heretofore granted or to necessitate the obtaining of a new franchise for a use for which a franchise holder shall have a valid unexpired franchise.

SECTION 1101. Authority to Grant Franchises. The Council is empowered to grant by ordinance a franchise to any person, firm or corporation, whether operating under an existing franchise or not, to furnish the City and its inhabitants with transportation, communication, terminal facilities, water, light, heat, power, refrigeration, storage, or any other public utility or service, or to use the public streets, ways, alleys and places, as the same may now or may hereafter exist, in connection therewith.

SECTION 1102. Franchise Terms, Conditions and Procedures. The Council shall, by ordinance, prescribe the terms and conditions under which franchises will be granted, subject to the provisions of this Charter, and the procedure for granting franchises; provided, however that such procedural ordinance or ordinances shall make provisions for the giving of notice of franchise applications, for protests against the granting of such franchises and for public hearings on such applications.

The Council, in granting franchises, shall prescribe the terms and conditions of such franchises in accordance with the applicable provisions of this Charter and any ordinance adopted pursuant thereto, and may in such franchise impose such other and additional terms and conditions not in conflict with said Charter or ordinances, whether governmental or contractual in character, as in the judgment of said Council are in the public interest or as the people, by initiative, indicate they desire to have so imposed.

SECTION 1103. Method of Granting Franchise. The Council may grant a franchise without calling for bids or may, in its discretion, advertise for bids for the sale of a franchise upon a basis, not in conflict with the provisions of this Article, to be set out in the advertisement for bids and notice of sale.

SECTION 1104. Term of Franchise. Every franchise shall be either a fixed term not to exceed twenty-five (25) years, or for an indeterminate period. If for a
fixed term, the franchise shall state the terms for which it is granted; if indeterminate, it shall set forth the terms and conditions under which it may be terminated.

SECTION 1105. Purchase or Condemnation by City. No franchise grant shall in any way or to any extent impair or affect the right of the City now or hereafter conferred upon it by law to acquire the property of the grantee thereof either by purchase or through the exercise of the right of eminent domain, and nothing herein contained shall be construed to contract away or to modify or to abridge either for a term or in perpetuity the City’s right of eminent domain with respect to any public utility.

SECTION 1106. Compensation. No new franchise or the renewal of an existing franchise shall be granted without reserving to the City just and adequate compensation.

SECTION 1107. Article Not Applicable to Certain Cases. Nothing in this Article shall be construed as applying to or requiring the operators of refrigeration or storage utilities or the carriers of freight or passengers not operating over a fixed route, or other public utilities or services not specifically described in this Article, to obtain a franchise to operate within the City unless required so to do by ordinance of the City of Seal Beach.

SECTION 1108. Exercising Right Without Franchise. The exercise by any person, firm or corporation of any privilege for which a franchise is required without procuring such franchise shall be a misdemeanor, and each day that such condition continues shall constitute a separate violation.
