## CONDITIONAL USE PERMIT APPLICATION

### INSTRUCTIONS & APPLICATION

A Conditional Use Permit (CUP) is an entitlement application which requires a public hearing and the adoption of specific findings provided in the Seal Beach Municipal Code (SBMC) Section 11.5.20.020. Uses described in SBMC 11.5.20.010 are subject to a Conditional Use Permit. The purpose and intent of the Conditional Use Permit is to ensure that these uses which are not permitted by right are located, planned, and used in such a manner as not to be detrimental to the surrounding properties and to the community as a whole. A Conditional Use Permit shall not be granted if a determination is made that the use will be detrimental to the health, safety and general welfare of the community. Examples of conditional use permits are churches and restaurants desiring to serve alcohol.
