

Seal Beach WAVE

Combating Graffiti in Seal Beach

The Maintenance team was quick to respond to recent graffiti reports submitted by residents via the MySealBeach App. Crews promptly removed the graffiti at Rivers End Park and the Public Works Beach Yard, restoring both areas to their clean and welcoming appearance.

Keeping Seal Beach beautiful is one of our top priorities, and we appreciate our residents for helping maintain our community spaces by reporting issues promptly. Together, we can continue to preserve the city's charm and safety for everyone to enjoy.
