## **RESIDENTIAL PARKING PERMITS RENEWAL PROCESS CHANGES**

SEAL BEACH, CA — In light of the current COVID-19 pandemic, all current residential parking permits have been extended and will now expire on January 31, 2021.

The City of Seal Beach has changed the process to purchase and renew residential parking permits and guest permits.

Concurrent with the extension, the City of Seal Beach will be implementing a new online permit platform available on December 17, 2020. A link to the new online permit platform will be available on the City's website. If individuals access the old online permit platform on or after December 17<sup>th</sup>, they will be redirected to the new permit platform.

In order to purchase a residential parking permit, or any of the parking permits listed below, customers must create a new account, enter vehicle information, upload relevant documentation, and submit payment. Residential permits will be valid from February 1, 2021 through October 31, 2021.

The residential permit costs will remain \$20 per residential permit with the updated permit effective dates February 1, 2021 through October 31, 2021. Guest permits will remain \$30 per permit and will transition to virtual permits only. The updated permit effective dates for guest permits will be February 1, 2021 through October 31, 2021.

The following parking permits will be available on the new online platform:

- Residential
- Guest
- Beach (senior, resident, and non-resident)
- Merchant
- Contractor

For additional information, please email [parkingpermits@sealbeachca.gov](mailto:parkingpermits@sealbeachca.gov).
