City of Seal Beach Announces Upcoming Strategic Planning Session

Seal Beach, CA — The City of Seal Beach will hold its Strategic Planning Session on Saturday, November 8, 2025, from 8:00 a.m. to 12:00 p.m. at Fire Station #48 – Community Room, 3131 North Gate Road, Seal Beach, CA 90740. This session is part of the City's ongoing commitment to thoughtful, transparent, and forward-looking governance.

The annual Strategic Planning Session provides the City Council and executive staff an opportunity to step back from day-to-day operations and focus on priorities, organizational goals, and community needs. The meeting is designed to foster meaningful discussion, align leadership on shared objectives, and help chart a clear direction for the upcoming year. This year's session will be staff-led and structured to support productive dialogue and collaborative planning.

The Strategic Planning Session is open to the public, and residents are encouraged to attend and observe the discussion as the City continues its commitment to transparency, accountability, and community engagement. If you are unable to attend, the meeting will also be audio recorded and made available on the City's website.
