RESIDENTIAL & GUEST PARKING PERMITS RENEWALS

SEAL BEACH, CA — The City of Seal Beach has streamlined the process to purchase and renew residential and guest parking permits.

The City of Seal Beach will transition to a new online permit platform starting on **December 17, 2020**. A link to the new online permit platform will be available on the City's website www.sealbeachca.gov or can be found here: <https://sealbeach.permitinfo.net>.

In order to purchase a residential parking permit, or any of the parking permits listed below, customers will need to create a new account online, enter their vehicle registration information, verify their vehicle using real time DMV approval or upload relevant vehicle documentation, and submit a payment. Residential and guest permits will both be valid from February 1, 2021 through October 31, 2021.

The residential permit cost will remain \$20 each with the updated permit effective dates of February 1, 2021 through October 31, 2021. Guest permits will remain \$30 each and will transition to virtual permits only. The updated permit effective dates for guest permits will also be February 1, 2021 through October 31, 2021.

The following parking permits will be available on the new online platform on **December 17, 2020**:
